

ARABIAN PIPELINE SUPPLY FZCO

INTRODUCTION

ARABIAN PIPELINE SUPPLY (APS) is a privately owned multinational enterprise comprising of more than six companies and affiliated businesses under the Steel Trading Group in Dubai, UAE.

The Group was founded in 1981 and has proven itself as a preferred piping package supplier to the Energy Sector. APS has built its reputation based on its dedication, integrity, teamwork and continual improvement and growth. The group has made a significant presence in the MENA region under the dynamic team of professionals and well established operations serving the region through dedicated regional offices based in Dubai and Abu Dhabi in the UAE, India, Qatar, Oman & Kazakhstan.

APS is a leading piping solutions provider, specializing in project packages comprised of Pipes, Fittings, Flanges, Valves, related accessories and Drilling Products / Services. We provide solutions for large projects in the oil, gas, energy, chemical, water and construction sectors with major focus in Middle East, India, & African Regions. Our clientele include major Oil and Gas companies, EPC / MEP contractors & shipyards operating in these regions.

APS has a team of experienced professionals in the sales / marketing division & has a qualified experienced team of engineers in its operations to ensure high level of service & delivery of products meeting all the required quality standards.

PRODUCTS PORTFOLIO

APS stocks and supplies extensive range of Piping Packages – Oil Country Tubular Goods (OCTG), Pipes, Fittings, Flanges, Valves, Stud Bolts, Gaskets and other accessories from its ISO 9001-2015 TUV SUD Certified stock locations in Jebel Ali Free Zone, Dubai & Doha, Qatar that are supported with a complete logistic setup to handle any mega supply projects. Our warehouses facilitate ex-stock delivery of products manufactured by accepted and accredited mills that have a proven track record of supplies of their products to NOCs & IOCs and operate on a fully computerized stock control system to ensure continued availability & prompt delivery to the clients.

APS provides its customers with complete piping solutions throughout the lifecycle of projects, from technical consulting to sourcing and procurement.

APS has a significant presence with a diverse product portfolio which gives us a competitive advantage to cover the below sectors:

- **Oil & Gas**
- **Fabrication & EPC**
- **Marine & Shipbuilding**
- **Energy & Power**
- **Civil Construction & Infrastructure**
- **Manufacturing**

TUBULARS

Line Pipes

CS Seamless Pipes

Size: ½" to 24"

Schedule: 20 to XXS.

Grade: ASTM A106/A53, API 5L Gr. B to X65,
A333 Gr 6, A335 P5/P11/P22/P91

Origin: Japan, Spain, South Africa, Romania, Ukraine
Czech Republic, Spain & Italy.

ERW / EFW / HFW Pipes

Size: ½" to 24"

Schedule: 20, 40, STD & XS.

Grade: A & B, API 5L / A53. conforming to NACE MR 0175.

Origin: Japan, Korea, Saudi Arabia & India

LSAW / DSAW Pipes

Size: 18" to 48"

Schedule: 20, 40, 60, STD & XS.

Grade: API 5L Gr. B, X42, X52, A671, CC60, CC70
conforming to NACE MR 0175.

Origin: UAE, Korea and Germany

Stainless Steel, Duplex and Super Duplex Pipes

Size: ½" to 12"

Schedule : 10 to 160.

Grade: ASTM A182 304/304L, 316/316L, A790 UNS
31803, S32750/32760 conforming to NACE MR. 0175
Origin: Japan, Spain, Sweden, Korea, Italy & France

Oil Country Tubular Goods (OCTG)

Tubing Pipes

Size: OD 2-3/8" to 4-1/2"

Grade: API Grades J55 / N80 / L80 / P110

Plain Ends / NUE / EUE Threaded and coupled with
API & Premium Connections

Casing Pipes

Size: 4-1/2" to 20"

Grade: PI Grades J55 / K55 / N80 (Type1 / Type), L80 /
P110 / Q125

Plain end / API Connections STC / LTC / BTC

Drill Pipes, Screen Casings, Wash pipes, Cross-overs
Our drill pipes are available with outside diameters
(OD's) Ranging from 2 3/8" to 5 7/8". We can offer E-
75 to S-135 Grades in accordance with API
Specification 5D and API Specification 7 as well as
proprietary grades for more Stringent requirements.

Accessories

Thread protectors, couplings, Pup-joints,
centralizers, blast joints, Stingers, Anchors, Tubing
Drains, Mandrels, Kelly Guards, and Choke & Kills
etc.

PIPING COMPONENTS

Fittings

BUTT WELD FITTINGS (CS, SS & LTCS)

Size: ½" – 36"

Schedule: 20 – XXS & 5S – XXS

Grade: ASTM A234 WPB, A420 WPL6 & A860 WPHY
52, ASTM A403 – 304/304L & 316/316L

Origin: Japan, Europe, Korea & Thailand

Flanges

FORGED CS FLANGES WN/SO/NPT/BL/SW (CS & SS)

Size Range: ½" to 48"

Schedule: 20 – XXS

Class: #150 – #2500

Grade: ASTM A105, A 350 LF2, A694 F52, F60, F70,
A516 ASTM A182 – 304/304, 316/316L

Origin: Italy, Spain, Korea & Germany

FORGED NPT & SW (CS, LTCS & SS)

Size: ¼" – 4"

Class: #3000, #6000 & #9000

Grade: ASTM A105, A350 LF2, And A182 304 /304L,
316/316L

Origin: Western Europe

FORGED OLETS (CS & SS)

Size: ½" – 36"

Schedule: 40 – XXS & #3000 - #9000

Grade: ASTM A105, A350 LF2, A694 F52, F60, F70,
A182 – 304/304L, 316/316L

Origin: Western Europe

GASKETS SPW, RING, CAF & CNAF

Size: ½" to 36"

Class: #150, #300, #600 & #1500

Grade: In accordance to API 601

Origin: UAE, U.K.

STUD BOLTS & NUTS

Size: 3/8" – 4"

Grade: Bolts: ASTM A193 Grade B7 / B7M

Grade: Nuts: ASTM A194 Grade 2H / 2HM

Origin: UAE, U.K.

VALVES & ACTUATORS

Size: ½" – 40"

Class: #150 - #1500

Grade: WCB, A105, LCB, LCC, A350 LF2, CF8, CF8M,
F304, F316, Duplex Grades, Aluminum
Bronze, various Trim options available based
on service, pressure and temperature ratings

Origin: Mexico, Spain, U.K., U.S.A., Japan

STRUCTURAL STEEL PRODUCTS

Longs: Beams, Channels, Angles, Flat Bars, Round Bars, Square Bars & Shafting Bars

European Grades: ASTM A36/S275JR/S355JR/J2/JO/A572 GR. 50

Japanese Grades: JIS G 3101 SS400/ASTM A992/A572 GR. 50

Origin: Europe, Japan, Korea, UAE, Turkey & Oman

Flats: Aluminium Plain Sheets, Cold & Rolled Sheets & Plates, GI Plain Sheets & Coils, Hot rolled chequered Sheets, Hot rolled plates, HR Sheets & Coils

Grades: SS400/ASTM, A36/S275JR/ASTMA500

Origin: Europe, Japan, Korea, UAE, Turkey & Oman

Tubulars: Rectangular hollow sections, Square hollow sections & Round hollow sections

Grades: ASTM A500/STKR 400/S275JR

Origin: Europe, Japan, Korea, UAE, Turkey & Oman

OBM'S: Galvanized Gratings & Expanded metal mesh, Welding consumables, and welding electrodes

Grades: ASTM A36/S275JR

Origin: Europe, Japan, Korea, UAE, Turkey & Oman

SPECIAL GRADES & SERVICES

Flow line Equipment's

API 6A products available in both Standard and Sour Gas Service items in accordance with NACE Standards (Latest Revision) and API 6A Specifications Hammer Lug Unions, Seals/Seal Kits, Fittings, Swivel Joints, Pup Joints, Cementing & Circulating Hoses, API Flanges, Studded Fittings, Christmas Trees, Manifold and Fittings.

Special Grade Materials

Grade 4130, X-52, X-60, X-65, ASTM A335 & ASME Sa335,
Chrome Moly Alloy Seamless Pipe P91, P22, P5, P11, P9, P92

Special Coatings

Considering the atmospheric conditions (**ONSHORE & OFFSHORE**) in the gulf region, we also supply **STRUCTURAL STEEL & PIPING CLASS MATERIALS** with the below special protective coatings:

- Ÿ **SAND BLASTING & SPECIAL EPOXY COATING (DEMIT COATING ETC.)**
- Ÿ **HOT DIP & ELECTRO GALVANIZING**
- Ÿ **CADMIUM PLATING**
- Ÿ **FLUOROCARBON (PTFE) COATINGS & 3 LAYER PE COATINGS (3 LPE)**
- Ÿ **CEMENT LINING, DEMIT COATING, FUSION BONDED EPOXY COATING (FBE)**

Rate Contracts & Master Sale Agreements (MSA)

We also undertake and enter into "RATE CONTRACTS" with various OILFIELD COMPANIES for requirements besides the above mentioned products. These products includes OILFIELED CONSUMABLES, INSTRUMENTATION, ELECTRICAL, HYDRAULIC EQUIPMENTS & INDUSTRIAL SAFETY PRODUCTS. We have a dedicated team of professionals who constantly cater to all these requirements pertaining to any contracts.
