## 45 Years of Excellence

We proudly showcase world-class brands such as Dewalt, SATA, Larzep, Stanley, Proto, Ridgid, Greenlee, Helvi, Klauke, Atlas Copco, Big Red, Rhino, and Astro in the Saudi Arabian market. These partnerships reflect our dedication to offering high-quality products to our customers.

With over 25,000 items in our inventory, Albawardi Tools & Hardware is equipped to meet the diverse and evolving needs of its customers.

Our objective is not solely limited to nurturing and cultivating the growth

Our vision extends beyond mere business achievements; it's a commitment to fostering a community where creativity and ambition thrive.

This aligns with the vision of our Kingdom for 2030, which emphasizes

innovation as a key element in the development of the economy and industry, to achieve sustainable growth and ensure a flourishing future for the coming generations in the Kingdom.

Together, with the leadership of our Kingdom, we are building a legacy that lays the foundation for a brighter, more innovative tomorrow.

# COMPANY OVERVIEW

Over the past 45 years, Albawardi Tools & Hardware has developed a strong infrastructure in the Kingdom, establishing itself as a major leader in the tools and hardware sector.

Our product range serves a variety of industries, including plumbing, welding, carpentry, automotive, electrical and many more, providing a comprehensive suite of tools for professional needs.

## تعريف بالشركة

المتنوعة والمتجددة لعملائها.

هدفنا لا يقتصر على كوننا مجرد موردين؛ بل نسعى لأن نكون شركاء نجاح موثوقين في مختلف مشاريع وتطلعات عملائنا.

رؤيتنا تتجاوز الأعمال التجارية؛ إنها التزام بتنمية مجتمع ينهض به الإبداع والتطور.

رؤيتنا تتماشى مع رؤية مملكتنا لعام ٢٠٣٠، التي تُعلي من شأن الابتكار كعنصر أساسي في تطوير الاقتصاد والصناعة، من أجل تحقيق التنمية المستدامة وضمان مستقبل مزدهر للأجيال القادمة في المملكة.

بمشيئة الله أولاً، معاً وبقيادة حكومتنا الرشيدة، نحن نبني مجتمعاً تزدهر فيه هذه الثقافة، ونضع الأسس لغد أكثر إشراقاً وابتكاراً.

على مدى الـ ٤٥ عاماً الماضية، تطورت شركة البواردي للعدد والأدوات وأُسست بنية تحتية قوية في المملكة، مما يجعلها من الشركات الرائدة في مجالها.

ويشمل نطاق منتجاتنا مختلف الأدوات والمعدات التي تغطي قطاعات مثل السباكة، اللحام، النجارة، عدد السيارات، الطلاء، الكهرباء، القياس، الصواميل، المواد الكيميائية والمعايرة، المعدات والآلات، المسامير واللواصق، السلامة، وغيرها الكثير.

من وكالاتنا العالمية التي نقوم بتوزيعها في المملكة: بيج ريد، راينو، ديوال، ساتا، لارزيب، ستانلي، بروتو، ريدجيد، غرينلي، هيلفي، كلاوكي، أطلس كوبكو، وأسترو في السوق السعودية.

مع أكثر من ٢٥,٠٠٠ منتج في مخزوننا الواسع، تتمتع شركة البواردي للعدد والأدوات بالقدرة على تلبية الاحتياجات

45  
عاماً من  
التميز

## Some of our Brands

[www.rhino.sa](http://www.rhino.sa)

Rhino, part of Albawardi Tools and Hardware, excels in providing high-quality scaffolding, ladders, power tools, and construction gears. Renowned for its quality and reliability, Rhino serves both professionals and individuals, ensuring top performance and safety in every product.

[www.ridgid.com](http://www.ridgid.com)

Renowned for their unmatched expertise in the plumbing, pipe fitting, construction, and HVAC trades, Ridgid Tools are the go-to choice for professionals in these industries. The brand has become synonymous with quality, especially noted for its distinctive red pipe wrenches that symbolize life-time durability and precision.

[www.larzep.com](http://www.larzep.com)

As a leading manufacturer based in Northern Spain, LARZEP is renowned for its high-pressure hydraulic equipment. Their reliable products are designed to address the challenges in moving heavy loads across multiple industrial applications, simplifying complex tasks with innovative solutions.

[www.atlascopco.com](http://www.atlascopco.com)

Atlas Copco is a pivotal provider of industrial productivity solutions. Their wide-ranging products, including assembly systems, and industrial pneumatic tools, are complemented by vacuum solutions, and power and flow solutions, setting industry standards in efficiency and innovation.

[www.tuffix.com](http://www.tuffix.com)

Since its establishment in 1996 in France, TUF-FIX has rapidly become a leading brand in the global building materials and tools industry. Focused on hand tools, fasteners & fixings, painting tools, industrial safety equipment, welding, and general tools, they are known for their innovation and quality.

[www.dewalt.com](http://www.dewalt.com)

DEWALT® Specializes in designing and optimizing professional-grade power tools, accessories, and services, guaranteeing confidence even in the harshest job-site conditions. Their commitment to excellence assures that professionals across industries are equipped with reliable, high-performance solutions.

[www.stanleytools.com](http://www.stanleytools.com)

Stanley has been crafting reliable and efficient tools since 1843. Renowned for their durability and precision, Stanley's range of products are essential in both professional and home workshops. Their commitment to excellence and constant pursuit of innovation keeps them at the forefront of the tools' industry.

[www.satatools.eu](http://www.satatools.eu)

SATA Tools stands as a global leader in hand tools for automotive and industrial mechanics. Known for its premium quality, the brand is rapidly growing, becoming the top choice for professionals seeking reliable and advanced tool solutions.

[www.klauke.com](http://www.klauke.com)

Klauke is celebrated worldwide for its high-quality electrical connection technology and tools perfectly tailored for day-to-day work. Specializing in crimping, cutting, and punching. Klauke's ensures to find the right connector for every conductor.

[www.knipex.com](http://www.knipex.com)

KNIPEX stands as the worldwide leader in pliers manufacturing, offering a range of tools that are essential for professional users in trade and industry. Made in Germany, KNIPEX pliers are synonymous with exceptional quality and durability.

[www.torin-usa.com](http://www.torin-usa.com)

Manufactured by Torin, the world's largest producer of jacks, Big Red Jacks are known for their quality and reliability. Supplying more than 100 million jacks since 1968, their product range extends to professional air and pneumatic automotive tools to under-car service sets.

Achilli is recognized globally for its range of equipment and machinery for stone working. Known for their consolidated quality, sturdiness, and durability, Achilli products are a staple in the stone working industry.

Karin S.r.l. specializes in personal protective equipment and workwear for high-risk sectors, focusing on safety and comfort. Established in the early 1990s, they excel in producing technical clothing and safety footwear.

Helvi is an industrial welding machines manufacturer of plasma cutting machines, professional battery chargers and accessories. In 2023 it became part of the Beta Group, Europe's leading manufacturer of tools and work equipment for specialists in mechanical engineering, industrial maintenance and auto repair.

[www.enerpac.com](http://www.enerpac.com)

As a global leader in industrial tools, torque & tension products, Enerpac specializes in solutions for precise lifting, lowering, and positioning of heavy loads. Their tools are designed to enhance productivity and safety across various industries.

[www.astrotools.com](http://www.astrotools.com)

Astro Tools offers a range of professional air and pneumatic automotive tools, from air ratchets, to hammers and sanders. Astro also specializes in hydraulic lifting equipment, providing reliable and efficient solutions for automotive maintenance and repair.

[www.anchorallied.com](http://www.anchorallied.com)

Anchor Allied is a UAE based factory, with significant impact over the past decade by launching various products, including Silicone Sealants, Weather Sealants, Spray Paint, PU Foams, Adhesives, Tapes, and other allied products. They have set benchmarks for innovation and quality.

[www.greenlee.com](http://www.greenlee.com)

Greenlee stands out in the industry with its comprehensive range of products, including knock-outs, and Wire and Cable Fishing/Pulling/Termination equipment. Greenlee are Renowned for their Bending and Electrical Test and Measurement solutions.

[www.protoindustrial.com](http://www.protoindustrial.com)

Proto is USA based key player manufacturer in the industrial hand tools sector, offering over 4,000 products engineered for heavy-duty industrial, oil and gas, aerospace, railway and general maintenance applications.

[www.albawarditools.com](http://www.albawarditools.com)

Part of Albawardi Tools and Hardware, Panther is at the forefront of manufacturing industrial construction machinery such as, Plate Compactors, Tamping Rammers, and asphalt cutters. Their product range is ideal for construction sites operating under various conditions insuring the highest levels of safety standards.

**120XP Ratchet**

The ratchet design offers 120 positions with a 3° swing arc for efficient fastener turning in tight spaces. It includes two double-stacked 60-tooth pawls, ensuring strength and durability. The enclosed head design prevents dirt infiltration, enhancing its lifespan. Its tear-drop, low-profile head and flush-mounted on/off switch improve accessibility in confined areas, making it a robust and precise tool for challenging environments.

## Digital Calliper

Featuring a large, easy-to-read digital display, the instrument offers 4-way measurement capabilities (inside, outside, depth, and step) for accuracy. It includes a scale and thumb roll for resetting at any position, and displays measurements in both metric and Imperial units. The design incorporates an RS-232 output port for simple data collection. Manufactured from stainless steel, it ensures strength and longevity. The instrument is provided in a high-quality ABS plastic box for protection and convenience.

**DEWALT**

## 2-Speed Magnetic Drill Press 50mm

Equipped with a 10 amp motor, offering two speed settings to accommodate a variety of applications. Its 4-way measurement feature (inside, outside, depth, and step) enhances accuracy. Includes Overload Protection to safeguard the motor and reduce accessory wear. Features an RS-232 output port for efficient data collection. With a 4-3/8" drill travel, it's suitable for heavy-duty tasks, and the motor height adjustment expands accessory compatibility.

### Cordless Hammer Drill 20V

### Cordless Hammer Drill 20V

This tool features a maximum torque of 45 Nm for soft applications and 55 Nm for hard ones. It has a chuck tightening range of 13-15mm and can drill up to 40mm in wood, 16mm in concrete, and 13mm in steel. The key-less chuck design adds convenience, and it operates on a 20V max lithium-ion battery with a 2 Ah capacity, which can be fully charged in 60 minutes. Despite its power, the tool is lightweight, weighing just 1.62 Kg.

## Arc Welding Machine Unistic Arc & Tig

Three-phase DC welding units on wheels, with thyristor control. Excellent welding results with all common stick electrodes. Suitable for the most demanding welding applications: shipbuilding, piping, etc. Equipped with socket for remote control.

## Power Drive Threading Machine With Stand

- Threads 1/4 – 2" pipe at 36 RPM and 2 1/2 – 4" at 12 RPM.
- The Model 1224 threads a wide range of pipe including black, galvanized and plasticcoated pipe, together with stainless steel, IMC and heavy-wall conduit, as well as rod up to 30 Rockwell C.
- An induction motor insures sound levels well within the limits set by the regulating authorities.
- A special capacitor-start / capacitor-run motor allows the Model 1224 to thread a full range of material where voltage drop is experienced.
- 1/4 – 2" Universal Die Head; 2 1/2 – 4" receding die head allows cutting of tapered or

 Micro Inspection Camera  
**RIDGID40613**

## Micro Inspection Camera

The Ridgid CA-300 is a versatile inspection camera designed to record and document images and videos in hard-to-reach areas. It features internal memory and an included SD card for storage. The camera is ergonomically designed with a pistol grip for comfortable handling, and it boasts a large screen for easy viewing. Its robust aluminum camera head is equipped with four adjustable LEDs, enhancing visibility in various conditions. Advanced features like digital zoom and image rotation provide a comprehensive view, making it an ideal tool for diagnosing hard-to-access problems.

### Oil Bucket Working Pressure

## 90 Liters Oil Bucket 8-10 Bar Working Pressure

Professional oil drain with extractor and air discharge and safety valve, easily transfers the used oil from the 90L tank to your own secondary container for recycling. Height adjustable for draining fluids from vehicles on lifts.

Standard stop air pressure, stop air pressure is sufficient to empty used fluids from the storage tank. Rugged steel construction, with two steady and 2 survival casters.

The unit for collect and drain the waste oil from engines, gearbox and other fluids from vehicles, drain the waste oil out under safe working pressure.

#### Features

- High power-to-weight ratio
- Powerful impact mechanism
- Durable metal housings
- Soft start throttle
- GRS – Grease Retaining Syst

ATLSLMS68-GIR25

### Air Tools Impact Wrench

## Air Tools Impact Wrench

Straight Impact Wrench LMS is designed to provide dependability and a long, trouble-free service life in the toughest conditions. The LMS is a non shut-off impact wrench with extraordinary power to weight qualities and virtually no reaction force during tightening, typically used where fast tightening or disassembly is needed. Its innovative and unique Grease Retaining System ensures maximum tool performance with long service intervals.

#### Benefits

- Extremely fast tightening and loosening
- Longer service life
- Reduced risk of vibration related injuries
- Greater operator comfort

**Aluminum Scaffolding Narrow**

The Rhino Expanda Scaffold has been specially designed by one of Australia's leading scaffolding companies (No Bolt) to incorporate strength, durability and most importantly flexibility. The Expanda Scaffold incorporates a unique design that allows you to expand up and out by adding additional free standing core packs, making it incredibly versatile.

**Material:**

Aluminium 225kg per width of scaffold

**Features:**

Workcover design registered Picture (left) shows Expanda Scaffold in full height configuration (using Core Pack and 2 Riser Packs). Also pictured are Outriggers and Ladder. GS-01A Riser Pack (contains 4 Horizontal, 1 Diagonal Brace and 2 End Frames).
